

Safety and Security – Drop-Off and Pick-Up Procedures

Purpose: To ensure established procedures are in place to support the safety and security of our students during drop off and pick up and while on Youth Ballet of Saskatchewan (YBS) premises.

Applies to: YBS students and their parent/ guardian.

Our instructors are here to give your child the best possible training and to act as your child's supervisor during his or her allotted class time. After class is complete the instructor has a new group of students to supervise, so we ask that you please be on time when coming to pick your child up from class. If an emergency occurs preventing timely pick up, please notify the office (if after business hours, contact Michelle McMillan at 306-502-0199).

If a parent/guardian is more than 15 minutes late on three occasions per term there may be a fee charged for each subsequent occurrence. Should your child dance in the last class of the day/evening pick up delays beyond 15 minutes may result in a fee for each for 15 min interval thereafter to compensate the staff member providing supervision until your arrival. Please see below for details on the last class each day.

We do not recommend students younger than 12 years old leave the premises at any time without supervision. We ask that you ensure your child has entered the studio before leaving and remind them to wait inside the building until their transportation has arrived. Please discuss this with your child.

YBS has noted some older students leaving the studio without notification either in-between classes or, on occasion, instead of attending class. YBS cannot accept responsibility for students electing to leave the building without the expressed permission of their parent/ guardian. Students who leave the building unsupervised do so at their own risk. Please discuss this policy with your child.
